

# TEAM MANAGER

## Web-based project management solution

TeamManager is a easy web-based project management TM makes it easy to:

- centralize internal communication
- share, assign and prioritize tasks
- schedule deadlines and others more.

## Highly accessible

It lets you and your clients (or just your own internal team) keep your conversations, ideas, schedules, to-do lists, and more in a password-protected central location. And accessible from any computer with a web browser.
