

SCREENSAVERS

Immediate direct-response

When done properly, custom screensavers are “sticky” and cost-effective. A well-designed promotional screen saver can provide immediate direct-response, reaching massive audiences with an engaging and memorable story.

Screensavers can be written to floppy disk or CD ROM for manual distribution such as trade shows, mail shots or special offers. Your screensaver can also be included on your web site for automatic download.

ABOUT GRAYN.COM

3/3
